

YACHT CLUB COSTA SMERALDA

PERINI NAVI CUP 2009
PORTO CERVO, 3rd – 5th September

NOTICE TO COMPETITORS No.2

This notice amends Notice n°1. The boat to boat communication channel will be VHF 71 and not VHF 70 as previous communicated.

Explanation of this Notice:

It is important that boats communicate with one another whenever safety is in question. It is also important that they do not use VHF 72 for that purpose so that the Race Committee announcements during the lengthy stating sequence are not interrupted or stepped on. Hence, boats should be monitoring both VHF channels 71 and 72 from the time they leave the dock until the day's racing is complete.

YACHT CLUB COSTA SMERALDA

PERINI NAVI CUP 2009 PORTO CERVO, 3rd – 5th September

NOTICE TO COMPETITORS No.1

The Sailing Instructions allow for and encourage boat to boat communications while racing for safety purposes (SI Section 20.3).

The Organizing Authority requests that all boats monitor and use VHF Channel 70 for boat to boat communications from the time they leave the dock until racing is complete.

Explanation of this Notice:

It is important that boats communicate with one another whenever safety is in question. It is also important that they do not use VHF 72 for that purpose so that the Race Committee announcements during the lengthy starting sequence are not interrupted or stepped on. Hence, boats should be monitoring both VHF channels 70 and 72 from the time they leave the dock until the day's racing is complete.
