

LORO PIANA CARIBBEAN SUPERYACHT REGATTA  
AND RENDEZVOUS 2013

**NOTICE TO COMPETITORS #4**

**ENFORCEMENT OF THE RULES**

A number of Declaration Forms report behavior on the racecourse that at times has been less than safe and not in accordance with RRS and Appendix SY.

NOR 14.1 addresses the Organizer's priority on safety and prudent seamanship (not competitive advantage) with the superyacht racing at the Loro Piana Caribbean Superyacht Regatta.

We encourage competitors to continue reporting any infractions on their Declaration Forms and remind everyone of Appendix SY 3.3 which enables the race committee to protest competitors who sail within 40 meters of another yacht. The race committee is prepared to act on those yachts with multiple infractions and/or those who are not abiding by the RRS and Appendix SY.

LORO PIANA CARIBBEAN SUPERYACHT REGATTA  
AND RENDEZVOUS 2013

**NOTICE TO COMPETITORS #3**

**SKIPPER'S BRIEFING QUESTIONS & ANSWERS**

Q1. Under Sailing Instructions 22.1, did you mean to round up or down on the scoring penalty?

A. The Sailing Instructions stand as written. We will be rounding down.

Q2. What is the "Support Boat Declaration Form" used for?

A. The "Support Boat Declaration Form" is in fact a support boat registration form. All support boats should register at the Race Office and pick up their support boat flag.

Q3. What is the intent and meaning of Sailing Instructions 14.5 regarding support boats "staying outside areas boats are racing"?

A. The Organizing Authority requires all support boats to stay clear of other race boats, minimize wake, and not interfere in any way with the racing. Support boats may come inside the sailing area providing they do not interfere with race boats. Any race boat observing support boat interference should report this on their daily Declaration Form.

Q4. In Sailing Instructions 14.4, it appears we are unable to check the starting line prior to our start if other boats are in their starting sequence. Are we able to check the line?

A. The race committee intends to provide the lat/long for both ends of the starting line. Boats may only enter the starting area 5 minutes prior to their starting time or prior to the warning signal for the first starter per Sailing Instructions 14.4.

Q5 What is the plan for dock out each morning?

A. The dockmaster has provided the following dockout schedule for all race boats. It is essential that all boats are ready to leave the dock 15 minutes prior to their scheduled time. The five boats moored on the inside of the main dock may depart at any time.

The dockout order for the remaining 15 boats is as follows;

9:00 Parsifal III / Carl Linne  
9:10 Sarafin / Wild Horses  
9:20 Athos / Cape Arrow  
9:30 Sejaa / Zefira  
9:40 Freya / Blues  
9:50 Unfurled / Salperton  
10:00 Baiurdo VI / Rebecca  
10:10 Endeavour
