23. APPENDIX B

IRC52 Wild Card Invitation Requirements:

- Endorsed 2016 IRC Certificate required. Boat to be conform this certificate. 2016 TCC 1.412 or lower. The TCC shall be based on a TP52 with three spinnakers, low vcg hollow steel + bulb keel and a fixed headstay. This does not mean you have to have 3 kites or a fixed headstay, it is only the basis for the TCC calculation. If the certificate is based on different input we will correct for that;
- LOA Max: 15.85 m;
- Beam Max: 4.42 m;
- Draft Max: 3.50 m (Boats dating from 2012 or before 3.60 m);
- Empty DSPL Minimum: 6950kg;
- Associate Class Membership 2016 Fee: 1.500 € per event, with a maximum of 4.500€ (mandatory);
- During the events it is requested to have a 52 logo in the top of the mainsail;
- Apply using the IRC52 Wild Card Application Form, see ONB on www.52superseries.com;
- Wild Card restrictions may be adjusted for individual boats outside the Wild Card limits, reflecting the wish of the TP52 Class to include rather than to exclude boats. This decision is entirely with the TP52 Class and not open to protest, appeal, claim or request for redress. IRC52 boats shall race in compliance with their IRC Certificate and the IRC Rule, except where this NoR or the NoR of the individual events differs from these documents. Further IRC52 boats may adjust the headstay during racing at the 52 Super Series events, whether this is permitted by their certificate or not.

SPECIFIC:

- Taller rigs. Only boats with a shared history with Super Series will be considered. The TCC limit might be corrected for this feature.
- Deeper keels. As the TP52 Rule states boats from 2012 or older may apply to race with a 10cm deeper keel This is necessary as these boats are basically build too heavy to be able to have a class maximum weight keel. NO boat that can get to minimum weight with a maximum weight keel will be permitted to go deeper on draft in 2016 and NO boat from 2012 or later construction will be permitted to go deeper than 3,50 meter.
- Sail area. No boat will be permitted to build new sails that are over the class limit from 2016 and use them in class competition.
- Bow sprit. No boat will be permitted to race in class events with a bowsprit, so STL, longer than class limit.
- Boat weight. The class rule only gives a minimum weight. No boat will be permitted to go under this.
