Appendix A

Delete A.3 and replace with:

“A rating allowance for the boat's crew live aboard will be calculated using ORC VPP by adding additional weight to the original ORC certificate calculated as 70 kg x number of crew living aboard to the maximum of 560 kg (8 persons).

The original certificate will remain valid while a new rating will be calculated only for the Rolex Swan Cup Caribbean 2017 and used for the event scoring purposes as described above, showed on the entry list with notification: "LOB".
