## SUPERYACHT REGATTA 2025

27 – 31 MAY • PORTO CERVO

An aerial photograph of Porto Cervo, Sardinia, Italy. The image shows a large marina filled with numerous yachts and sailboats. In the foreground, there are modern, multi-story buildings with flat roofs and large windows, likely hotels or resorts. The buildings are surrounded by lush greenery and trees. The water is a deep blue, and the sky is clear. The overall scene is a picturesque coastal town with a focus on luxury and sailing.

“Porto Cervo is a real gem, made utterly unique thanks to its special position: a village immersed in nature and surrounded by water of the most unbelievable colour. This is where the Giorgio Armani Superyacht Regatta takes place, now in its fourth edition; an exciting sporting event that allows me to bring a little part of my world to this place in my favourite season.”
