

YACHT CLUB COSTA SMERALDA

SAILING INSTRUCTIONS

Perini Navi Cup 2011
Porto Cervo, 1st – 4th September

Due to the size, lack of manoeuvrability and other constraints with superyachts, ISAF has allowed changes to the Racing Rules of Sailing (RRS) that will enhance safe racing at the Perini Navi Cup 2011. They come in the form of changes to four definitions and one rule. One of the important safety initiatives presented is maintaining a minimum of 40 meters separation between boats. This 40 meter separation includes all mark roundings as well as meeting, passing, and crossing situations. Due to the dynamics of yachts under sail, a precise measurement of 40 meters can be difficult. If questions arise, they should be resolved via VHF bridge to bridge communication. The event organizer expects best efforts with compliance and good sportsmanship in maintaining minimum separation.

1. Rules

- 1.1 The regatta will be governed by:
- The rules as defined in the Racing Rules of Sailing (RRS)
 - Special Regulations governing Offshore Racing for Category 3, with life raft on board compulsory, except that jackstays are not required to be fitted on deck (amends OSR 4.4).
 - ORC Club Measurement Regulations
 - Notwithstanding anything in the above rules to the contrary, power assisted winches, canting keels, trim tabs and water ballast are permitted. This changes Rules 51 and 52.
- 1.2 In accordance with RRS 86.2, ISAF has approved the changes to the RRS definitions *Keep Clear*, *Mark-Room*, *Room*, and *Zone*, and RRS 17 as shown herein.

- 1.3 Changes to the Definitions of the Racing Rules of Sailing
 - (a) The definition *Keep Clear* is deleted and replaced with: "One boat *keeps clear* of another if the other can sail her course with no need to take avoiding action and with no less than forty (40) meters between the boats."
 - (b) The definition *Mark-Room* is deleted and replaced with: "*Room* for a boat to sail to the *mark*, and then *room* to sail her *proper course* while at the *mark*, with no less than forty (40) meters between the boats."
 - (c) The definition *Room* is deleted and replaced with: "The space a boat needs in the existing conditions while manoeuvring promptly in a seamanlike way, with no less than forty (40) meters between the boats."
 - (d) The definition *Zone* is deleted and replaced with: "The area around a *mark* within a distance of ten (10) hull lengths of the boat nearer to it. A boat is in the *zone* when any part of her hull is in the *zone*."
- 1.4 Change to RRS rule 17
 - (a) Replace rule 17 On the Same Tack; Proper Course with:
"17 ON SAME TACK; PROPER COURSE WHEN BEING OVERTAKEN
17.1 A boat being overtaken shall sail her *proper course* from the time the overtaking boat is within eighty (80) meters of her until the overtaking boat is *clear ahead* or more than eighty (80) meters from her. This rule does not apply if the boat being overtaken is required by rule 13 to *keep clear* or if rules 10, 18, 19 or 20 apply.
17.2 An overtaking boat shall not sail within forty (40) meters of the other boat."
- 1.5 No national authority prescriptions will apply except Part 6 of prescriptions of the FIV (Italian Sailing Federation), which will apply only to Italian nationals. A copy of that prescription is in Appendix C.
- 1.6 If there is a conflict between languages, the English text will take precedence.
- 1.7 In the event of a discrepancy between the Notice of Race and the Sailing Instructions, the Sailing Instructions take precedence. This changes rule 63.7.
2. **Event classification and advertising**

Boats failing to finish within 90 minutes after the finish of the first boat will be scored one position worse than the last scored yacht. However on the last day of the regatta a period of 60 minutes shall be substituted for the period of 90 minutes. (This changes RRS 35 and A4). In case of postponement of the starting time the time limit will not be changed.

This channel should be used in close quarters to determine other yacht's intentions, resolve confusion and assist with collision avoidance. If VHF 08 is congested, yachts may also use race committee VHF channel 72 for collision avoidance.
