Porto Cervo, 26-28 June 2026

SAILING INSTRUCTIONS

1. Rules

1.1 Refer to the Notice of Race (NoR) at paragraph 4.

1.2 UMPIRE OBSERVATION

1.2.1 Umpires may observe the racing and provide advisory umpire signals. If an umpire observes an incident where a boat protests, one of the following signals may be made:

(a) A green and white flag with one long sound means 'The umpire/s saw the incident and believe that no rule was broken'.

(b) A red flag with one long sound means 'The umpires saw the incident and believe that one or more boat has broken a rule'. The umpire/s will hail or signal each boat identified to have broken a rule.

(c) A BLUE flag with one long sound means 'The umpire/s do not have the facts to make a decision'.

1.2.2. The signals displayed by the umpires are for information only. If a red flag is displayed, any identified boat is not obliged to take the applicable penalty, however if she does not, the Umpire, as part of the protest committee, may protest that boat. If a green and white flag or the BLUE flag is displayed, a boat may still protest, or a boat may choose to take the applicable penalty.

1.2.3 If a green and white flag is displayed for an incident, the protest committee will only protest a boat for an incident involving her that may have resulted in injury or serious damage, or if the protest committee learns during the hearing of a valid protest that the boat, although not a party to the hearing, was involved in the incident and may have broken a rule. This changes RRS 60.1 and 60.4(b).

1.3 Umpires may blow a whistle and display a red flag when he sees what he believes to be a breach of rule 31 or 42 or gains an advantage despite taking a penalty or commits a breach of sportsmanship. The umpire/s will hail or signal each boat identified to have broken such rule/s. Any identified boat is not obliged to take the applicable penalty, however if she does not, the Umpire, as part of the protest committee, may protest that boat.
