Request by Guardamago II (ITA 17598):

“Hi all, we are a german Team which chartered the Italia 11.98/ Guardamago II. Unfortunately the Sail Number of the Code 0 we got provided with the boat is different to the Sail Number of he Boat/ Hull. We would kindly ask to Sail with the Sail Number ITA 16493 in the Code 0 and keeping ITA 17598 in all other Sails!

Best regards Michael Grau”

Answer from RC:

Guardamago II is permitted to sail with the code zero displaying a different sail number from the boat’s sail number/hull number on the grounds that it is a chartered boat.
