7 MEASUREMENT AND INSPECTION

- 7.1 Competitors shall complete keel and rudder templating, yacht weighing and boat inspection on July 8, 2017. Sail measurement, at YCCS Sport Centre, on 9 July, 2017. The Class Association will notify each yacht of its intended measurement time.
- 7.2 Yachts shall provide a minimum of two people to facilitate measurement and inspection. Each yacht shall be prepared with its safety gear assembled in the cockpit prior to its inspection appointment.
- 7.3 Each yacht may measure a maximum of 12 sails and declare 9 sails (Class Rule 25.0). Sail buttons shall be sewn on prior to measurement. All sails shall be measured and stamped by an ORC measurer on the head and be Class legal before presentation. Sails that do not meet initial measurement criteria may be re-measured once.
- 7.4 Crew will be weighed on the official Class scales at YCCS Sport Centre.
- 7.5 Boats and sails are subject to inspection and measurement at the discretion of the event Technical Committee. Random yacht and equipment inspections may be conducted prior to, between races and after racing each day to check for compliance with Class Rules, the NOR and the 2016-2017 World Sailing Offshore Special Regulations, Category 4.
- 7.6 Technical and measurement issues will be decided by the Jury upon the recommendation of the class representative and/or the Technical Committee appointed by the OA.
