Notice to Competitors 9	All Competitors	Porto Cervo	13/09/2022	hrs: 09.00

From: Organising Authority () | Race Committee () | Technical Committee () | International Jury ()

Signed: _____

NAVIGATION CLARIFICATION

Be advised that the 'Cardinal Signal' (Segnale Cardinale) on Secca Dei Monaci is no longer in place. The Cardinal Signal and the Secca Dei Monaci are not marks of any course.

In Notice 8, competitors were advised that the cardinal signal marking the rocks on the northeast portion of the Islands of Poveri is currently not in place (approximate location: 41 05.730 /009 35.276). It should be noted that the cement base to the cardinal is in position and visible. Thus, the Prohibited Passage (Appendix BRAVO 5.16) between the Sardinian coast and the islands of Poveri remains as stated.

DIVISION 1 SCORING CLARIFICATION

Scoring in Division 1 of the Rolex Swan Cup will be 'PCS All Purpose pre-selected course'. The All Purpose 7 numbers available on the ORC certificate will be used to construct a curve, for each boat. Using the elapsed time of each boat in class and the length of the course, the average speed of each boat along the course will be calculated and compared with the All Purpose pre-selected course curve. From this comparison, a 'scoring wind' will be determined for each boat. The highest scoring wind in class will be used as the scoring wind for all boats in the class. If you have questions on this scoring method, please see the ORC representatives in the Technical Office tent in the Piazza.
