

Porto Cervo, 2 – 8 September 2018

NOTICE TO COMPETITORS No. 1

Dear MYRC competitor,

Thank you for your entry. Attached please find the latest update on entries received to date.

We expect a few late entries and will forward and post the final entry list, preliminary class breaks, starting combinations and trophy allocation next month.

Based on current information, we have listed those classes (J-Class, Wally, Mini Maxi Racer, Mini Maxi Racer Cruiser, Maxi & Supermaxi) that will likely have their own start in the attached document. Please note that this is a provisional indication. It is likely that there will be further split(s) with the Mini Maxi Racer Cruiser class, but a final decision will be made after all rating certificates are in hand.

All competitors are reminded to comply with NoR 3.5 (A valid rating certificate and/or class certificate issued by the appropriate Rating or Class Authority must be submitted with the entry form). If this has not already been done, please forward your most recent certificate as soon as possible. These certificates will help the organizer determine class breaks and starting combinations.

Certificates can be updated up until 18.00, 23 August. (NoR 4.2: “If a boat elects to reconfigure the sail plan or change any other measurement value requiring a new rating certificate, the new certificate shall be received by the OA not later than 18.00 on the 23rd August 2018”).

We have agreed to a new initiative with IRC where boats will be provided a reduction of rating TCF if sailed with fewer than the maximum crew number. This will be proportional. An example is a current 60 footer with an IRC Crew Number of 18. The reduced crew number option will be 60% of this (11 crew). IRC recognizes that this will reduce the crew righting moment effects and the rating will be automatically adjusted accordingly. Both TCC's will be recorded on the boat's IMA Certificate. The default will be the full crew TCC. However, if a team wishes to compete in the entire event with the reduced crew number (and reduced TCC), they can do so by informing the organizer by 23 August.

It will be helpful for our planning to know what day your boat will arrive at the YCCS. If not already done, please have your captain communicate this to the Race Secretariat (secretariat@yccs.it) as soon as that date is known.

If you have any questions or feedback on the information provided here, please feel free to contact us anytime. We look forward to welcoming you to Porto Cervo.

Best regards,

Edoardo Recchi YCCS
