### *Racing formats*

Based on current fleet composition, the organizer's intent is to provide the standard superyacht 'staggered start' racing format for all monohulls. These yachts, which may be divided into 2 classes, will be racing under the Appendix SY of the RRS. Class breaks for the monohulls will be determined and posted on the regatta website no later than Tuesday, 1 June.

The multihull division will start first with a conventional fleet start. For the multihull division, the RRS will not be changed by Appendix SY, unless a multihull yacht meets a monohull yacht in which case the RRS as changed by Appendix SY will apply to those boats.

Additional details and the final determination on racing formats and rules will be provided in the regatta Sailing Instructions.
