DIVISION 1 LAYDAY

All Division 1 competitors are reminded of Sailing Instructions 6.1, which enables the organizing authority and race committee to change the schedule taking into account weather conditions.

The race committee's intent is to race as scheduled on Wednesday and Thursday. With numerous forecasts suggesting marginal sailing conditions on Saturday, we will keep all options open regarding racing on Friday (the scheduled Lay Day). After evaluating updated forecasts following the racing on Thursday, the decision will be made regarding the scheduled Lay Day (which will be posted on the ONB no later than 20.00).

We understand that the scheduled Lay Day is important to many participants, as is having 5 days of racing during this event. There is not enough clarity with the weather models to make a decision at this time. We appreciate everyone's patience and understanding.
