Add a new SI 16.6

16.6 On Sunday 24 September, if a boat has the intention to request a hearing, it shall inform the race committee as soon as possible after she finishes, retires or the race is postponed or abandoned. If the outcome of the hearing may affect the next stage of the competition, the protest committee may decide that the hearing is heard immediately on the water. In this case, the protests and requests for redress need not be in writing. The protest committee may schedule the hearing, inform the parties of the time and place of the hearing, take evidence, conduct the hearing, and communicate its decision in any way it considers appropriate, which may be orally. This changes rules 61.2, 62.2, 63 and 65.
