

YACHT CLUB COSTA SMERALDA & MARINA

Virgin Gorda

FACTSHEET

YCCS Virgin Gorda is a new state-of-the-art Marina and Clubhouse in North Sound Bay. Offering 38 slips for yachts of up to 91meters / 300ft LOA, the design includes a central T-shaped dock measuring 267 meters (875 ft) that is accessible from both sides. The elegant YCCS Clubhouse was inaugurated in January 2012 and includes a restaurant - open daily for lunch and dinner - an infinity pool, lockers and shower facilities, an outside bar, lounge area, wifi access and a soon to be completed fully-equipped Technogym wellness area and Acqua di Parma spa.

Yacht owners and guests can enjoy access to spectacular hiking trails in the area surrounding the Clubhouse and can take advantage of tennis courts, beach volleyball, a spa and wellness centre, beach and water sports activities and all the other facilities available in the local area on request. Access to the nearby Beach Club facilities can be made available to yacht owners upon request.

The Yacht Club offers access to an extensive on board provisioning service as well as full-service crew facilities. The Marina is an ideal base for cruising the Virgin Islands and has on-site customs services. It is well-protected from prevailing winds and ocean swells and is free of storm surge risk.
